PER DETAIL with Prefabricated Parts

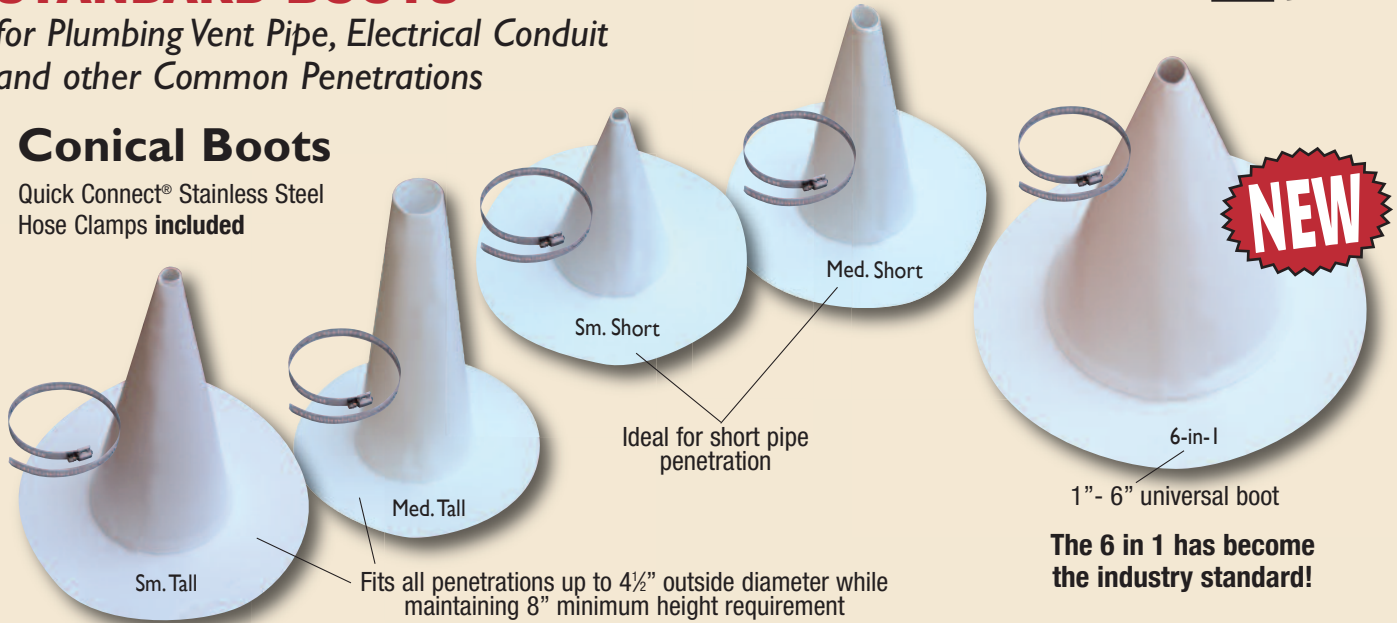

STANDARD BOOTS

for Plumbing Vent Pipe, Electrical Conduit
and other Common Penetrations

Conical Boots

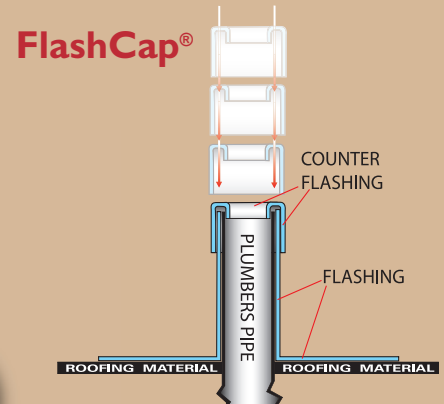

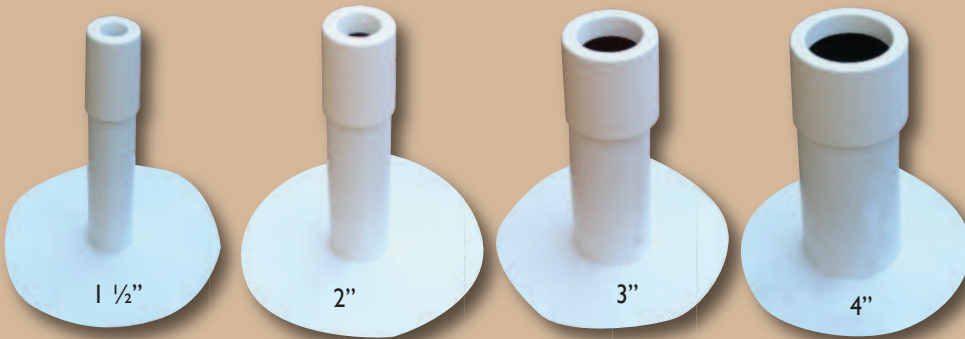

Quick Connect[®] Stainless Steel
Hose Clamps **included**

The 6 in 1 has become the industry standard!

FlashCap[®] Plumbers Flashings

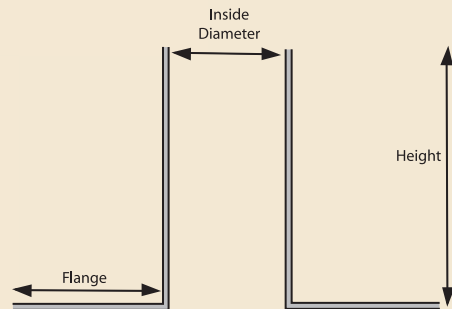

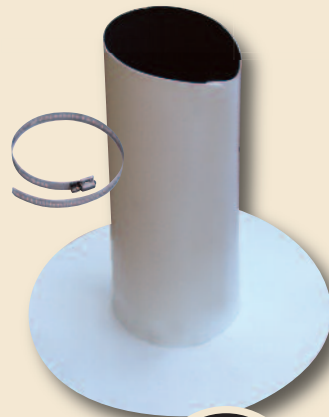

Standard sizes: 1 1/2", 2", 3" and 4"

The FlashCap[®] system eliminates the need for hose clamp and caulking, reduces installation time, is a better seal, and looks better.

Cylindrical Boots

Quick Connect[®] Stainless Steel
Hose Clamps **included**

Boot made to the inside diameter you specify

THICKER IS BETTER

STRONGER - LASTS LONGER
